OMEGA

Operable Magic to Effectively Getting over AHPND

XMU-China
International Genetically Engineered Machine Competition

-BACKGROUND-

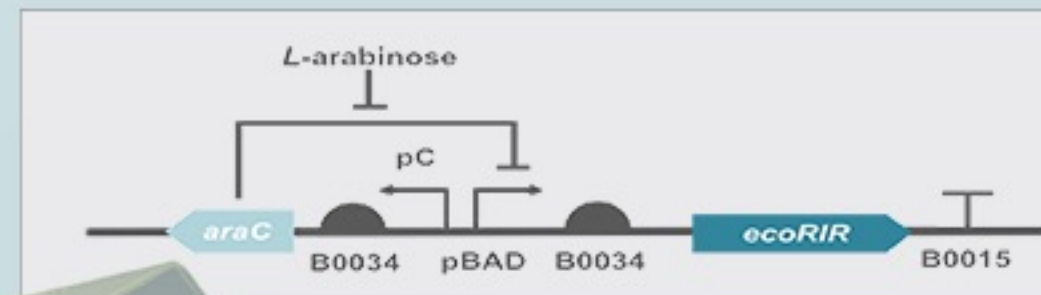

-INTRODUCTION-

-DETECTION-

-KILLING DEVICE-

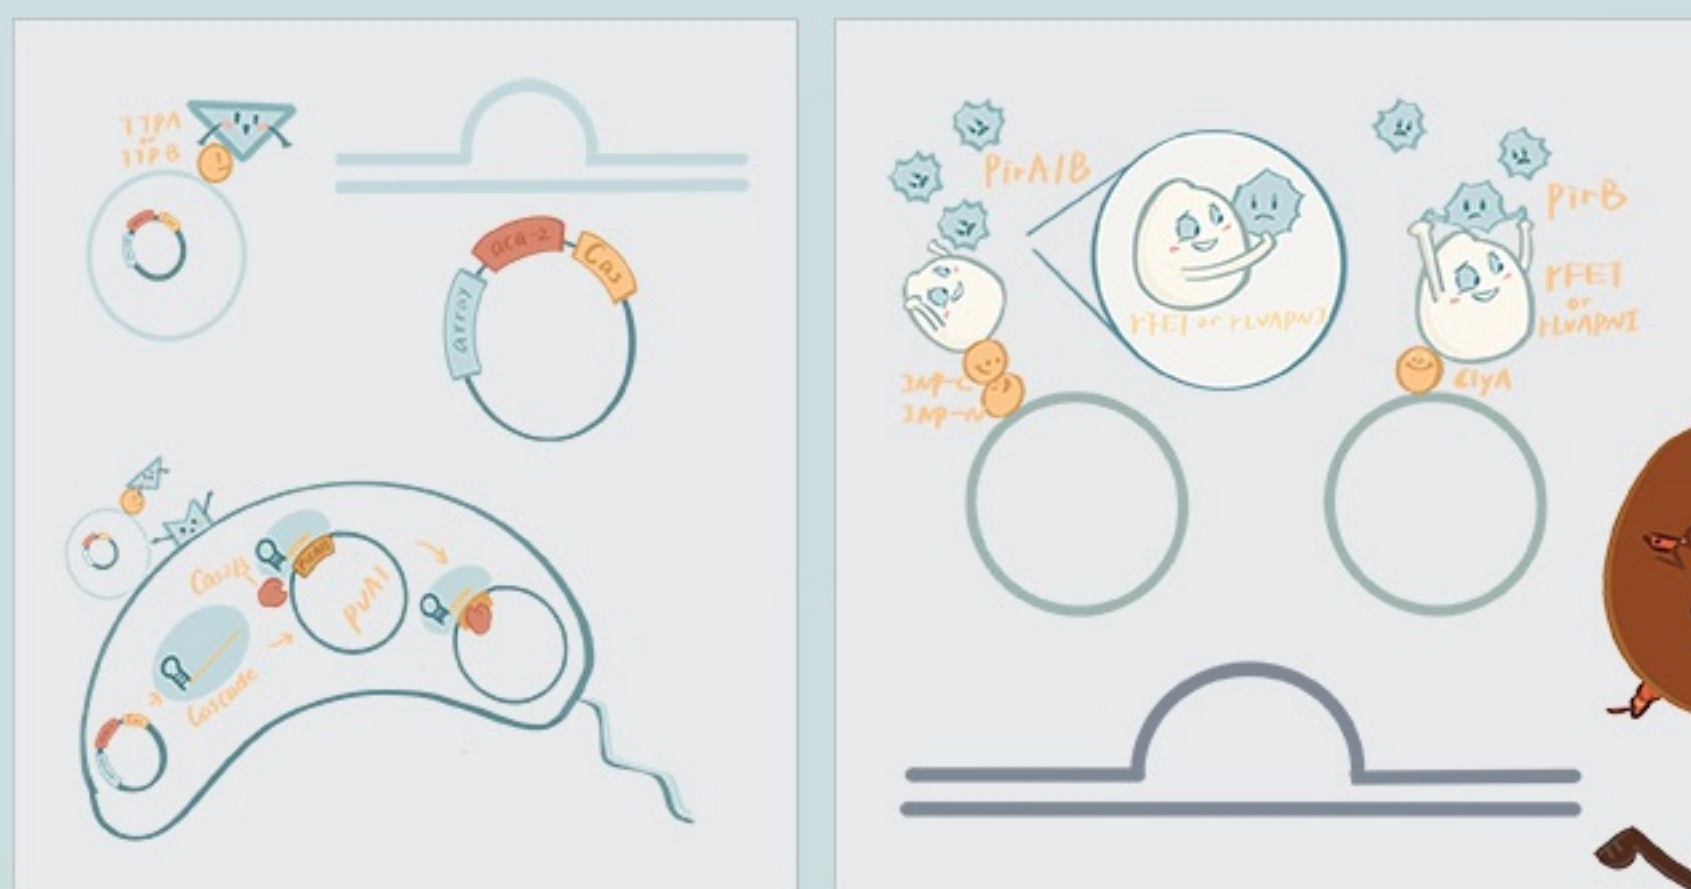

-OVERVIEW-

This year, team XMU-China aims at solving a great concern of shrimp fisherfolks worldwide—AHPND.

By offering Operable Magic to Effectively Getting Over AHPND (OMEGA), we wish to provide a comprehensive solution of AHPND, combining detection, treatment and prevention using synthetic biology.

-PREVENTION-

-TREATMENT-
